# ESHITA JAIN*

*Engineer with a designer's mind & an artist's heart, merging technical prowess with creative vision.

*Hello*

Hey there! I'm Eshita Jain (Ishita with an 'E'), an **Interaction Designer** and **Comic Artist** based in India. With a designer's mind and an artist's heart, I seamlessly blend technical prowess with creative vision. I specialize in crafting user-centric experiences, whether it's a sleek digital interface or a captivating comic narrative. Rooted in a global perspective, I believe in designing for diverse audiences. **My passion lies in visual storytelling, using it to communicate complex ideas in an accessible and engaging manner.** Join me in the exciting intersection of technology, design, and art, where every project is an opportunity to reimagine and create a more delightful world. Let's connect and make things happen!
